Trey Broomfield, 12

Q: What techniques do you consider when taking a picture?

A: " I always try to have natural lighting and a clear focal point."

Q: When did you first discover a love for photography?

A: "When I saw how beautiful everyday basic things can be when you look at it differently."

Kevin Martinez, 10

Q: What is your favorite subject to take a picture of?

A: "I like to take pictures of toys and nature."

Q:

Do you edit your pictures? What do you

A: change when you use Photoshop?

"Yes, I do a lot of my photos in black and white and I change the exposure."

Q: What techniques do you consider when taking a picture?

A: Angles are really important to me, getting the right angle might be the most important technique.

Q: What is your favorite subject to take a picture of?

A: "People, because people are beautiful in pictures."
